Recognition signal: to establish contact with  
AECOB/3, the contact man will say to him:  
"You look a lot like a man I know named Joe  
Miller. Could he possibly be your relative?"  
OSKARS will answer: "No, I know a Hugo Miller,  
but I'm not his relative either."

In Latvian text of our messages to AECOB/3 we  
address him as "TU" and refer to ourselves in the  
first person plural "MES".
